

# PARIS AGREEMENT'S CLIMATE PROMISE: NOT FOR INDIGENOUS PEOPLE

## Hey there, I am Onida

I am from the Tuvalu Islands. The rising sea levels have threatened our very existence. I don't know if we will have something to call our home in the next 5 years.

## Blind-eye

The Paris Agreement has turned a Blind-eye to our issues, leaving us helpless

## COPs: Seat without voice

We have a mere token participation in the COPs. Our issues are sidelined during negotiations and our voice remains unheard

## UNSR Reports

The recommendations in these reports cannot be enforced. Governments ignore these because of their non-binding nature.

## We need help!

- Capacity building support to enable us to participate fully
- Training, financial support, and access to relevant information
- Incorporate indigenous peoples' rights into the NDCs
- Appoint indigenous people as expert consultants.
